Year 12 Perspectives 2009

Year 12 Perspectives 2009 is a dynamic showcase of the energy, expression and talent of Western Australia's finest young art students. Now in its eighteenth year, it gives access to the thoughts and feelings of the next generation of artists. As fresh as ever, it continues to inspire visitors and remains a popular component of the Gallery's annual calendar. This year 71 works by 68 students have been selected from across Western Australia.

Glenn Pilkington, the exhibition's curator, commented, "This year's selection of works by these young artists has shown outstanding artistic ability and diversity in their choice of, and approach to, what are often very personal subject matters". *Year 12 Perspectives* has become a much-loved fixture on the Art Gallery's program and is a showcase and forum for emerging talent to connect with the wider public. The paintings, drawings, sculptures and photographs explore a range of subjects and themes important to young people today.

The Art Gallery of Western Australia is sure that this year's *Year 12 Perspectives* will continue to inspire, amaze and delight visitors.

**The exhibition will be on display at the Art Gallery of Western Australia
Saturday 20 February – Monday 31 May 2010.**
