

Art Gallery  
of Western Australia

## Interactive Tours and Art Workshops

Select from a series of free interactive guided tours of the State Art Collection. The educational experience can be further enhanced by including an art workshop with an Education Officer (charges and conditions apply). Your visit can be customised according to curriculum needs, ability and interests of your class. Tours cater for students from pre-primary to year 12 as well as ESL and tertiary level. Below is a selection of tours and art workshops that are run by the Gallery's Education team.

### *Appreciating Art*

An exciting introduction to the diversity of our State Art Collection, exploring arts language and concepts.

### *Aqua Spots and Zigzags*

An introduction to the elements of art. Unravel the mysteries of art in this engaging hunt for lines, shapes, textures, tones and colours.

### *Australian Identity*

What does it mean to be an Australian and how do we feel about our country? Discover which images have helped shape our cultural identity.

### *Creating with Colour*

An engaging experience for the younger student, this tour introduces the magic behind the colours of art. (Years K-3)

**Charles Blackman**  
*Tryptich Alice, 1957*  
Enamel on composition board  
State Art Collection,  
Art Gallery of Western Australia  
Purchased with assistance from  
the Friends of the Art Gallery, 1988

Our Volunteer Gallery Guides can design tours to suit all ages. The students are encouraged to participate in discussions and ask questions.

### **Communication Through Art**

Discover the ways that artists share their experiences of the world around them.

### **Mark on the Landscape**

Students uncover the different ways in which art depicts the Australian landscape and the impact of human interaction.

### **Portraiture**

Secondary students can investigate a wide range of portraits in different styles, techniques and media.

### **Acting Art**

A unique and stimulating art experience which includes drama improvisation games within the Gallery space. A great way to motivate students of all ages and abilities.

### **Three Dimensions**

Discover the challenges faced by artists when creating sculptural works large and small.

### **For enquiries and bookings:**

For more detailed fact sheets on our programs, visit the Education section on our website.

### **Investigating Colour**

Explore how and why artists utilise colour in their artworks. (Years 4-7)

### **Family and Change**

Time, Continuity and Change can be explored through discussion of artworks.

### **Faces and Feelings**

Explore how a range of figurative and abstract artworks express mood and feeling.

### **Every Picture Tells a Story**

Find the clues to how artists tell stories through visual texts.

### **Indigenous Art**

Investigate the diversity of Indigenous Art and Culture through our outstanding collection of paintings, works on paper, craft and sculpture.

The art workshops are held in a fully functional art room. The students have the opportunity to develop their creativity by producing an artwork which they will take with them on departure.
