Venue Hire

The Art Gallery of Western Australia has a dynamic and innovative cultural presence in central Perth, and offers itself as one of Perth's most impressive venues. The Gallery is available for private hire for meetings, presentations, product launches, exclusive cocktail parties and formal dinners, as well as special events. While guests socialise they have the opportunity to view art exhibitions drawn from the State Art Collection or visiting touring international exhibitions.

In addition to the Concourse, which is the main function venue, there are a number of additional function areas (both indoor and outdoor). These include the Centenary Gallery, an outside terrace area, lecture theatre and the refurbished Foundation Rooms that can be utilized for a variety of purposes, such as private dinners or small cocktail functions for numbers from 5 - 500 guests.

Guests can view national and international art exhibitions exclusively at your event. The Gallery can provide you and your guests with a unique opportunity to bring the art to life through guided tours and/or guest speakers. Team building exercises, either on their own or as part of an event, are presented in the Gallery's inspiring and motivational environment. They can develop creativity, collaboration and flexibility, while having fun!
