

## Get a fresh perspective on year 12 art

The *Year 12 Perspectives* exhibition is here! Once again this popular annual event provides the platform to showcase selected works from students graduating from Year 12 Visual Arts. *Year 12 Perspectives 2011* promises to deliver works of technical excellence and emotional complexity, continuing the creative legacy of the last 19 years.

Works depict relationships between self and the wider community, amongst family members and explore the relationship one has with one's self. 51 artists challenge us to reflect, explore and understand the world in which they inhabit and provide us with an opportunity to connect to the experiences of the young people of Western Australia.
